20<sup>th</sup> June 2019, HBM4EU training, Brno

## Following the 1<sup>st</sup> International Conference on Food Contaminants ICFC 2015 - Challenges on Chemical Mixtures

**ICFC 2017**

International Conference  
on Food Contaminants

13-14 JULY 2017  
BRAGA, PORTUGAL

CONFERENCE THEME

Climate change and food safety:  
challenges in the near future

**BOOK OF  
Abstracts**

and the 2<sup>nd</sup> edition of ICFC

**ICFC2017- Climate changes and food safety - Challenges in a near future**

universidade de aveiro  
departamento de biologia

National Institute of Health Dr.  
Ricardo Jorge (INSA) Lisbon &  
Centre for Environmental and  
Marine Studies (CESAM),  
University of Aveiro

**Paula Alvito**

**Artur Alves**

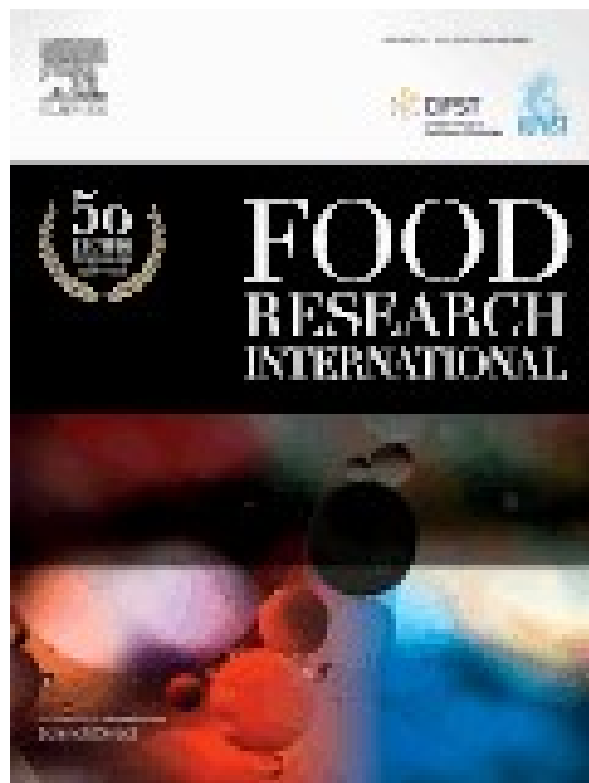

Centre for Environmental and Marine  
Studies (CESAM), University of  
Aveiro

On behalf of the Organizing Committee, we are glad to invite you to participate in the **3<sup>rd</sup> International Conference on Food Contaminants: challenges in risk assessment (ICFC 2019)** that will be held in Aveiro (Portugal) on the **26<sup>th</sup> and 27<sup>th</sup> of September, 2019.**

universidade de aveiro  
departamento de biologia

We invite the scientific community working on **food contaminants and human health** to submit abstracts for posters and oral presentations until **30<sup>th</sup> June**.

Participants at this conference are cordially invited to contribute with a **full manuscript** to the Special Issue “**Food Safety & Risk Assessment**” on **Food Research International**. The call for papers is now available on the [journal website](https://www.journals.elsevier.com/food-research-international) (<https://www.journals.elsevier.com/food-research-international>)

26-27 SEPTEMBER  
AVEIRO, PORTUGAL

<https://lcfc2019portugal.com>

Thursday, September 26, 2019	Friday, September 27, 2019	
<b>Morning</b>	Open session and Registration	<b>Session 3</b> Other agents (microbiological and nutritional) affecting risks
	<b>Session 1</b> Challenges in food risk assessment: new perspectives	
	Coffee break & Poster Session	Coffee break & Poster Session
	<b>Session 1</b> Challenges in food risk assessment: new perspectives	<b>Session 3</b> Other agents (microbiological and nutritional) affecting risks
	Lunch & Poster Session	Lunch & Poster Session
<b>Afternoon</b>	<b>Session 2</b> Human exposure to chemical food contaminants	<b>Session 4</b> Food risk-benefit assessment: lessons and perspectives
	Coffee break and Poster session	Coffee break and Poster session
	<b>Session 2</b> Human exposure to chemical food contaminants	<b>Session 4</b> Food risk-benefit assessment: lessons and perspectives
		Closing Session
<b>Evening</b>	Social Event / Conference Dinner	

## FOOD RISK ASSESSMENT

**Hans Verhagen,**  
Science Coordinator at EFSA, IT

## HUMAN BIOMONITORING

**Marike Kolossa,**  
Coordinator of HBM4EU, DE

## RISK-BENEFIT ASSESSMENT

**Jeljer Hoekstra,**  
National Institute for Public Health  
and the Environment, RIVM, NL

## FOOD ANALYSIS

**Marthe De Boevre**  
University of Ghent, BE

## RISK COMMUNICATION

**Rui Gaspar**  
Portuguese Catholic University, PT

## HEALTH AND DISEASES

**Cláudia Nunes,**  
NOVA Medical School,  
ERC Grant, PT

Early	Regular	Late	
Student ticket	100 EUR	150 EUR	200 EUR
Standard ticket	220 EUR	270 EUR	300 EUR
Conference Dinner	50 EUR	50 EUR	50 EUR

**REGISTRATE NOW!!!**

# The participation at **ICFC2019** could change your life because:

- You meet and change ideas with one of most well know researchers on your area...
- You had a brilliant idea after a brainstorm with a new colleague....
- You find the collaboration you look for so many time...
- You find the girl/boy of your dreams...
- You decided to came living to Portugal because...

Nazaré has the biggest waves ever surfed

Lisboa has the greatest cakes ever eated - pastel de nata

You are crazy by  
Cristiano Ronaldo!

**Thank you for your attention!**
